

WRITE the VISION

Empowerment Series

For lack of knowledge, our people perish! Empower your congregation, membership or constituents with programming designed to educate them on how to live better lives through programming in Business Startup, Grant Writing and Publishing. Call and ASK how these programs can be FUNDRAISERS for your organization!

30 Minute Signature Talks

The Write Time: Why Now is the Hottest Time to Write Your Book. Learn how you can harness today's technology to connect with your audience and 3 tips for getting your book written this year.

From Passion to Profit: You'll learn the basics of going from a "starving artist" to a thriving business owner. Get step-by-step instruction for making your dreams a reality!

1.5 Hour Workshops and Seminars

Write Your Life: Discover techniques from literature, cinema and the theatre to craft a version of your life that's suitable for sharing with the world! You'll learn practical tips for how to get your memoir, film or production out of your head developed, financed and marketed. *Publishing*

Journal to Journey: Unlock spiritual growth and peace of mind through the process of journaling. You'll learn various types and styles of journaling and we'll assess what type of journal will fit your personality and meet your needs based on what you're going through in life. *Publishing*

From Passion to Profit: Starting Your Dream Business™: This workshop is meant for those that want to put their dreams into action and are not quite sure where to begin. Participants will leave with tips on how to start, avoid common business mistakes, licensing and permit requirements, basic legal and tax resources, and real life entrepreneurship. *Business Startup*

Grant Writing in the Real World™: This workshop will prepare you to successfully apply and receive money designated for causes like yours! Learn what Grant Writing is, how to find and research grants, choosing the grants, proposal writing basics with real world case studies and tips. *Grant Writing*

WRITE the VISION

Empowerment Series

6 Session Boot Camps and Series

***From Passion to Profit: Jump Start your Dream™* Boot Camp**

This 6 session series leaves you with the know-how and start up materials to starting making MONEY TODAY. This in-depth series covers incorporation, licensing, mission and vision, business plans, operational structure, marketing and branding, raising capital, forming strategic alliances, recruiting and managing employees and insurance. All workshops include access to resources and services.

***Real World Grant Writing™* Boot Camp**

This Workshop is an intense information-packed training will leave participants with the know-how to write general grant proposals and complete basic grant applications. Participants will leave with knowledge to research and find grants, a completed grants calendar, sample winning proposals, a completed Grant Writer's Organizer, an individualized letter of intent, and a completed grant proposal. The series includes a copy of the eBook, "The Grant Writer's Organizer" by Samara Michelle (\$25 value).

Prepping for Prosperity™ Empowerment Series

The Prepping for Prosperity System is a five step process designed to align you to live your best life! By putting a series of actions in place, participants will pave the way to a life of external and internal wealth. Using the CORE Principles of Consecration, Organization, Relate and Evaluate plus the Goal SPA (Setting, Planning, Achieving). Through group interaction, hand-outs and exercises, participants will be armed with the tools and techniques to establish a solid framework for prosperous living. This series includes a copy of the eBook, "Prepping for Prosperity: How to BE Rich Before You GET Rich" by Toni V. Martin (a \$10 value).
